### Literacy

Year 6 will be using a variety of stimuli such as SPOOCS, Private Peaceful and The Twits to produce a range of writing as part of their writing assessments.

In addition to this they will be completing revision tasks for their forthcoming reading and SPAG SATs.

### Numeracy

Year 6 children are now preparing for their SATs and will be revising areas across the maths curriculum to help them prepare for the arithmetic and reasoning tests. This will include looking at mental and written calculations and problem solving type questions.
